DATE OF COMMISSION ACTION:

BOARD OF COUNTY COMMISSIONERS
OF ST. JOHNS COUNTY, FLORIDA

By: 
Chairman

ATTEST: CARL "BUD" MARKEL, CLERK

BY: 
DEPUTY CLERK

(Pursuant to St. Johns County Zoning Code, Section 11-9-5b: failure to exercise an exception or variance by commencement of the use or action approved thereby within one year, or such longer time as approved by the Board, shall render the exception or variance invalid and all rights granted thereunder shall terminate)

Board review of proposed ordinance concerning Planning and Zoning Agency (PZA) membership. **Motion by Maguire, seconded by Floyd, carried 7/0 to advertise once a year for persons desiring to become members of the St. Johns County Planning And Zoning Agency.** Napier stated that the PZA's recommendation was to amend the ordinance to provide for expiration of appointments to December 1. **Motion by Floyd, seconded by Maguire, carried 7/0 to approve the expiration of appointments to December 1.** Napier stated that PZA suggested that no person shall be appointed more than 2 consecutive terms as a member of the PZA. Floyd stated that two terms for membership is a reasonable time. Bailey suggested that a person shall serve at least 3 terms as a member of the Agency. Maguire suggested that all county appointed positions should have a deadline. Sisco suggested that in Section 9, "No person shall be appointed to more than two consecutive full terms as a member of the St. Johns County Planning And Zoning Agency." Sisco suggested that the word "two" be deleted from the ordinance. Napier addressed Section 10 of the ordinance dealing with the appointments so that each of the 5 single member county commission districts will have within its boundaries the residence of at least one member of the PZA. Planning And Zoning recommends that all future vacancies be made on the basis of qualification and not on geographical boundaries. **Motion by Floyd, seconded by Brinkhoff, carried 6/0 with Bailey opposing, to accept the recommendation of PZA that members be accepted upon their qualification, not geographical boundaries.** Melody Benson, 6419 Jack Wright Island Road, St. Augustine FL. Benson agreed that qualification should be the determining factor for appointing members to the PZA. John McDonald, Vice Chairman Planning And Zoning Agency. McDonald recommended that the agency should have 7 members instead of 9 members. **Motion by Bailey, seconded by Floyd, carried 7/0 to reduce the number of members from 9 to 7 to serve on the PZA, upon expiration of the first two members.** Campbell requested a public hearing date of April 23, 1991 at 9am concerning the Planning And Zoning Ordinance. It was the general consensus of the BCC for the hearing date to be April 23, 1991 at 9am for the Planning And Zoning Ordinance.
