APPROVAL OF REGULAR AGENDA

Motion by Kohnke, seconded by Reardon, carried 5/0, to approve the Regular Agenda as amended.

(06/19/01 - 3 - 9:23 a.m.)

1. PUBLIC HEARING - PUD - 2001-05 - ST. AUGUSTINE INDUSTRIAL PARK PLANNED UNIT DEVELOPMENT. THE SUBJECT PROPERTY IS LOCATED AT DEERPARK BLVD. AT STATE ROAD 207. THIS REQUEST SEEKS TO ADD

APPROXIMATELY 92 ACRES TO THE EXISTING ST. AUGUSTINE INDUSTRIAL PARK PUD (TREE OF LIFE). THE LAND SOUGHT TO BE ADDED, COMMONLY REFERRED TO AS THE MCGEHEE TRACT, COMPRISES A TRIANGULAR AREA LOCATED TO THE NORTH OF THE EXISTING PUD. THE FLORIDA EAST COAST RAILROAD IS ADJACENT TO THE WEST SIDE OF THE ADDED LAND, AND INTERSTATE 95 IS TO THE EAST. THE NEW PORTION OF THE PUD SHALL BE ACCESSED FROM STATE ROAD 207, CONSISTENT WITH THE ACCESS POINTS APPROVED AS PART OF THE ORIGINAL ST. AUGUSTINE INDUSTRIAL PARK PUD. THE PLAN OF DEVELOPMENT FOR BOTH THE EXISTING PUD AND THE EXPANDED PUD CONTAINS A TOTAL OF 1,500,000 SQUARE FEET OF INDUSTRIAL USE AND 200,000 SQUARE FEET OF COMMERCIAL AND OFFICE USE. IT IS STAFF'S OPINION THAT THE REQUESTED REZONING AND THE PROPOSED PLAN OF DEVELOPMENT COMPLY WITH THE COMPREHENSIVE PLAN AND THE FUTURE LAND USE DESIGNATIONS OF MIXED USE DISTRICT AND INDUSTRIAL. IN THAT THERE ARE NO RESIDENTIAL USES WITHIN THE PUD OR ADJACENT TO THIS PUD, STAFF ALSO HAS NO OBJECTION TO THE WAIVER OF INTERNAL SIDEWALKS FOR INDUSTRIAL PARCELS WITHIN THE PUD. THE PLANNING AND ZONING AGENCY UNANIMOUSLY RECOMMENDED APPROVAL AT THE JUNE 7, 2001 MEETING.

Proof of publication of notice of public hearing on St. Augustine Industrial Park PUD 2001-05, was received having been published in The St. Augustine Record on June 12, 2001.

Sonya Doerr reviewed this item. Discussion followed on having concurrency, it being an excellent use of the land, and it being important for industrial and commercial development in St. Johns County.

(9:25 a.m.) Don Smith, applicant, using visual display, reviewed the zoning map. There was no ex-parte communication. **Motion by Reardon, seconded by Meiszer, carried 5/0, to enact Ordinance No. 2001-40, known as St. Augustine Industrial Park PUD (PUD 2000-05), adopting Findings of Fact 1 through 4, to support the motion.**

ORDINANCE NO. 2001-40

AN ORDINANCE OF THE COUNTY OF ST. JOHNS, STATE OF FLORIDA, REZONING LANDS AS DESCRIBED HEREINAFTER FROM OR (OPEN RURAL) AND PUD (PLANNED UNIT DEVELOPMENT) AS PREVIOUSLY APPROVED BY ORDINANCE 94-10 AND ORDINANCE 93-47 TO PUD (PLANNED UNIT DEVELOPMENT); PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FINDINGS OF FACT; PROVIDING A SAVINGS CLAUSE; REQUIRING RECORDATION; AND PROVIDING AN EFFECTIVE DATE

(06/19/01 - 4 - 9:27 a.m.)

2. PUBLIC HEARING - REZ-2000-08 - DIXIE CUSTOM AUTOMOTIVE REZONING. THIS REQUEST SEEKS TO REZONE APPROXIMATELY 3.71 ACRES LOCATED AT 1715 OLD MOULTRIE ROAD FROM OPEN RURAL (OR) TO COMMERCIAL INTENSIVE (CI). THE SUBJECT PROPERTY IS LOCATED WITHIN THE MIXED USE DISTRICT (MD) LAND USE CATEGORY AND CONTAINS A GRANDFATHERED USED CAR SALES BUSINESS AND ALSO SEVERAL OLDER MOBILE HOMES. THE REZONING IS REQUESTED TO ALLOW TRUCK SALES AND RENTALS. THIS REZONING WOULD ELIMINATE THE GRANDFATHERED STATUS OF THE PROPERTY AND BRING THE ZONING INTO COMPLIANCE WITH THE EXISTING

AND PROPOSED AUTOMOTIVE SALES USE. THE PARCEL CONTAINING THE MOBILE HOMES IS LOCATED TO THE NORTH OF THE TRUCK SALES AND RENTALS BUSINESS, AND IS PART OF THIS REZONING APPLICATION. THE PLANNING AND ZONING AGENCY UNANIMOUSLY RECOMMENDED APPROVAL AT THE MAY 17, 2001 MEETING.

Proof of publication of notice of public hearing on REZ 2001-02 Dixie Custom-Variance, was received having been published in The St. Augustine Record on May 2, 2001.

Doerr reviewed this item, stating that this request seeks to rezone approximately 3.71 acres located at 1715 Old Moultrie Road from Open Rural (OR) to Commercial Intensive (CI). Doerr reviewed the area using a 1999 Aerial map.

(9:32 a.m.) Clay Stratton, representing Mr. Phil Genovar, explained what Genovar wanted to do with the area. Discussion followed. Reardon disclosed ex-parte communication regarding a conversation with Genovar. There was no other ex-parte communication disclosed. **Motion by Reardon, seconded by Bryant, carried 5/0, to enact Ordinance 2001-41, known as Dixie Custom Automotive Rezoning (REZ 2000-08), adopting Findings of Fact 1 through 4 to support the motion.**

ORDINANCE NO. 2001-41

**AN ORDINANCE OF THE COUNTY OF ST. JOHNS,
STATE OF FLORIDA, REZONING LANDS AS
DESCRIBED HEREINAFTER FROM THE PRESENT
ZONING CLASSIFICATION OF OPEN RURAL (OR)
TO COMMERCIAL INTENSIVE (CI); MAKING
FINDINGS OF FACT; REQUIRING
RECORDATION; AND PROVIDING AN
EFFECTIVE DATE**

Lopez left the meeting and Jim Sisco, County Attorney; and Doug Burnett, Assistant County Attorney; entered the meeting.

(06/19/01 - 5 - 9:37 a.m.)

3. CONSIDER SETTING A PUBLIC HEARING DATE FOR PROPOSED CHANGES TO ORDINANCE 2001-05 AND 97-34 AS AMENDED BY ORDINANCE 2001-05 "THE ST. JOHNS COUNTY BEACH CODE - SECTION ADDRESSING HOOVED ANIMALS ON THE BEACH".

Dave Williams, Supervisor of Beach Management, stated that there were a majority of concerns in the Ponte Vedra area regarding hooved animals on the beach.

The meeting recessed at 9:45 a.m. and reconvened at 9:50 a.m. due to sound system error. Switched to cassette from CD.

(1.0000) Kohnke stated there were two problems; because of the number of people, the horses have to go through the people to get to the beach and there was someone selling rides on horses and some of the people fell off of the horses into the water and the horses were running free. She agrees with restricted hours and cleaning up after the horses. Discussion followed on adding items to the ordinance regarding the tide language and the litter recommendation.

(1.0224) Beverly Green, President of the Horse Council, stated that there are several issues of horses on the beach that needed to be addressed. She requested when the ordinance is written, that she be given a copy of it a couple of weeks in advance. Kohnke suggested for

Green to talk to Williams and give her input before it goes to the attorney.

(1.0322) Frances Smith, 1341 Roberts Road, thanked the Board for setting the date for the public hearing.

(1.0330) Diana Kelley, 972 Ponte Vedra Blvd., Ponte Vedra Beach, requested the Board to set the public hearing.

(1.0346) Burnett requested for the Board to give him some kind of direction regarding the ordinance in the agenda book. Discussion followed on not addressing this ordinance today, coming up with another ordinance that addressed the hours of horses on the beach, setting a public hearing on this ordinance with amendments, getting factual basis for what could be arbitrary limits, bringing the amended ordinance back before the Board to discuss before setting the hearing date, and what to actually address in the ordinance. Jacalone stated that the Board is ready to act and set a date. **Motion by Reardon, seconded by Kohnke, carried 5/0, to set a public hearing for July 24, 2001 at 5:30.**

(06/19/01 - 6 - 1.0669)

4. CONSIDER PAYMENT FOR AN A1A AND SOLANA ROAD INTERSECTION STUDY.

John Schwab, Special Projects Manager, stated that there was a resolution in the agenda packet directing the Clerk of Court to pay a bill that was presented to the Board on May 8 for services rendered on the Solano Road A1A study that was requested by the citizens along that corridor. Jacalone stated that he was not going to support payment of this bill because according to the attorneys for both sides, this is not permissible. Bryant questioned if they could ask for a refund because the County couldn't use the study. Sisco replied, that if the County did not get a good product, it would be appropriate for Staff to request a discussion on the price. Bryant spoke on having a new study take the place of the old study. Sisco spoke on whether it was appropriate to replace one study with another, with the facts being, after the report came in, the County determined that some more work needed to be done on it. He stated it does not serve a County purpose. Bryant questioned having Staff look into seeking a refund on the original study, then inquire if the County can legally make compensation to the citizens. Jacalone replied that they could request some type of adjustment. Bryant stated that this is two issues; to seek reimbursement for inadequate study of the first study and substitute the second study for the first study. Meiszer stated that it is standard practice that if someone hired a consultant or buys a product and they are not happy with it, and they discover it before they pay the bill, then they just don't pay it and if they discover it after they pay a bill, then they could ask for a refund. Reardon stated that he would like for the Board to explore further on paying the bill and that he supported paying the bill.

(1.1197) Douglas Hudson, 57 Solana Road, Ponte Vedra Beach, spoke on the outstanding vendor invoice, questioning why have the same firm conduct a second study when the first study was flawed.

(1.1336) Kim Ruotolo, 59 Solana Road, Ponte Vedra Beach, distributed and read from a Memo dated May 29, 2001 regarding the County reimbursement to citizens for cost incurred in obtaining a traffic study relating to the intersection of Solano Road and A1A in St. Johns County. Cheryl Strickland, Clerk of Court, suggested to request an Attorney General's Opinion on this case. Jacalone stated that the Board still wanted to fund this, but needed to wait for the Attorney General's Opinion and the Clerks final determination. No action was taken.

The meeting recessed at 10:42 a.m. and reconvened at 10:55 a.m.

(06/19/01 - 6 - 1.1870)

4a. MOTION TO ADOPT **RESOLUTION NO. 2001-131**, APPROVING A FINAL PLAT FOR MARSHALL CREEK DRI UNIT ONE CLUB (Consent item 9)

Meiszer explained why he pulled this item. He asked the developers to be more considerate to their neighbors there. The residents are very unhappy about the way they are being treated.

(1.1983) Gary Davenport, 3266 Pacetti Road, representing the developers, stated that there are two property owners and six residents. He stated that they are not closing access to the property owners. **Motion by Bryant, seconded by Kohnke, carried 5/0, to adopt Resolution No. 2001-131, approving a Final Plat for Marshall Creek DRI Unit One.**

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA, APPROVING A SUBDIVISION PLAT FOR MARSHALL CREEK DRI UNIT ONE

(06/19/01 - 7 - 1.2123)

4b. INTERCOASTAL UTILITY DISCUSSION

Bryant mentioned having Sisco render an opinion on the due diligence period on the County's intended purchase of Intercoastal Utilities and asked him if the deal can be closed by the Staff unbeknown by the Board. Sisco replied that once the contract is signed, in his opinion, unless Staff advises the Board that due diligence revealed at the closing is not in the County's interest or the Board comes to that conclusion on its own, then the closing will occur in the matter of course without further Board action. He stated what would trigger it not closing is that the Board would direct Staff to advise Intercoastal prior to September 4 that due diligence let the Board believe that this purchase would not be in the best interest of the County and that the Board would elect to terminate afterwards. Discussion followed on preparing a contract and submitting it to Intercoastal for execution without the Board's further approval, having further negotiations on the contract before signature, the intention of the Board on trying to improve the situation up there and take on the utility to ultimately provide better service and rates, during the due diligence period looking at every scenario, people being upset about the Board's decision to purchase Intercoastal Utilities, and having JEA do a presentation before the Board at a public meeting. Sisco clarified the termination provision in the contract with Intercoastal Utilities. Jacalone mentioned that he would encourage the Board to support asking the Administrator to have the appropriate Staff contact whoever may which to make an offer or suggestion to the Board on purchasing utilities to present on July 10 in the afternoon. Jacalone suggested to direct the County Attorney to achieve what the Board wants to achieve in a non discriminatory fashion. Kohnke stated that there is no public statement on record to the Board from JEA's offer to Intercoastal and to make public the offer made by JEA to serve the northern part of the County. Jacalone replied that he accepts what Kohnke stated, on the condition that, if there are any other interested parties, the advertisement allows them to speak.

5. DISCUSSION OF INSURANCE EMPLOYEE HEALTH INSURANCE

Item moved to the July 17, 2001 meeting.

(06/19/01 - 8 - 2.0570)

6. UPDATE ON ST. JOHNS COUNTY'S NORTHWEST SECTOR PLAN BY MILLER SELLEN CONNER & WALSH CONSULTING

Georgia Katz, St. Johns County Planning Department, stated that Miller, Sellen, Conner, and Walsh will give an update on the Northwest Sector Plan per the Board's request. She asked that the Board accept the Vision Plan's Principles and Recommendations created to date, and direct staff to proceed to the next step to implement the plan.

Jeff McNeil from Miller, Sellen, Conner and Walsh, Consultants presented a report on the Northwest Sector Plan. He stated that the plan has been shaped and embraced by public participation. The process has included a community profile (through three workshops) that looked at community values, including the value of housing, the neighborhood

amenities, and the rural lifestyle and scenic quality of State Road 13. The residents expressed concerns about traffic congestion and the environment. Some key planning principles have been established including Community Planning Areas that are based on neighborhoods, community commercial centers and community green-ways. The report recommends that the Fruit Cove and Julington Creek area should have its own Community Planning Area as commercial development should be discouraged in that area. Orangedale and Bakersville should also have their own Community Planning Areas as these areas are projected to grow with higher intensity. He further explained the principles of green-way systems, blue-way systems and traffic and roadway plans, and entertained questions from the Board.

(2.2557)

Louise Thrower, 288 Orange Ave., Fruit Cove, in favor of the Vision Plan, but questioned what legal status the Community Planning Area Associations will be afforded. She also questioned what constitutes compact planning versus quality planning.

(2.2993)

Don Beattie, 808 Mill Pond Ct., St. Augustine, in favor, but he would like a better explanation of the Community Planning Area as he feels that this concept would be difficult to enforce. He believes that traffic is the highest concern, at this time, and needs to be addressed.

(2.3289)

Susan Bloodworth, 170 Malaga St., St. Augustine, questioned what would be required within a Community Planning Area and she thinks that this concept would create a lot of zoning questions and issues.

Jacalone asked how will we incorporate these recommendations into the Comprehensive Plan?

Katz responded that there would be an overlay plan for this area, and within that there would be objectives and policies that would implement these principles.

(3.0015)

Suraya Teeple, State of Florida, Department of Transportation, explained that there is a travel demand study connecting Clay and St. Johns Counties slated to begin next month. This study will determine the level of activity between those counties, which would determine the necessity of a new crossing over the St. Johns River between the Shands and Buckman bridges.

There was discussion among the Board members regarding the Northwest Sector Plan.

Meeting recessed 3:07 p.m., and reconvened at 3:18 p.m.

(06/19/01 - 9 - 3.0409)

7. UPDATE ON ST. JOHNS COUNTY'S PARTICIPATION IN CORNERSTONE

Jerry Mallot, Executive Director of Cornerstone gave a report on Cornerstone's activities and prospects. He stated that they meet every two weeks to go over those prospects and activities. They have conducted a commute zone analysis to assist in understanding labor market and work force opportunities, as well as implementing a new software program. They have staff that is dedicated to international trade development to expand trade on the First Coast that deeply includes St. Johns County companies.

(06/19/01 - 9 - 3.0771)

8. REVIEW OF THE BOARD OF COUNTY COMMISSIONERS APPOINTED COMMITTEES AND BOARDS

Patsy Heiss, Assistant to County Administrator, reviewed the County's 25 committees and boards, their make-up and application process. There are currently 202 volunteers who serve on the committees and boards. She introduced members of the various committees and boards from the gallery to the Board.

3:32 p.m. Reardon left the meeting.

Motion by Kohnke, seconded by Bryant, carried 4/0 with Reardon absent, to adjourn.

There being no further business to come before the Board, the meeting adjourned at 3:43 p.m.

REPORTS:

1. St. Johns County Board of County Commissioners Check Register (check numbers 304917 to 305259 totaling \$977,048.30 dated 6/12/01).
2. St. Johns County Board of County Commissioners Check Register (check numbers 305260 to 305284 totaling \$36,043.49 dated 6/14/01).
