Zebrowsky explained the two motions that the Committee was asking for the Board to approve. Discussion followed on assigning West Augustine as a priority during the administrative rezoning process and on additional police presence within the West Augustine Community. Teresa Bishop, Planning Director, explained the RFP procedures, how the priorities were selected, and the time frame for each district. Jacalone stated that the intent of the Economic Development Committee was good, but the Board getting involved in law enforcement matters was out of their jurisdiction and the request needed to go to Sheriff Perry. Tom Crawford, Director of Housing Community Services, clarified that they have been working with Colonel Bolonte' and the Sheriff's Department on their budget and it was his understanding, that they were coming forward in their new budget for additional

positions for West Augustine and the related funding. Zebrowsky stated that the Committee did not address supporting any future budget increases for West Augustine, but simply addressed the fact that it was not a safe area. **Motion by Meiszer, seconded by Reardon, carried 4/0 with Kohnke absent, to receive the resolution, give it due consideration, and refer it to the County Administrator.**

7. PUBLIC HEARING - SUMMERHILL PLANNED UNIT DEVELOPMENT. THIS REQUEST SEEKS TO REZONE 19.32 ACRES LOCATED ON OLD MOULTRIE ROAD FROM OPEN RURAL (OR) TO PLANNED UNIT DEVELOPMENT (PUD) TO ALLOW THE DEVELOPMENT OF UP TO 59 SINGLE-FAMILY HOMES AND ASSOCIATED RECREATIONAL USES. THE MINIMUM LOT SIZE WILL BE 7,000 SQUARE FEET WITH A MAXIMUM COVERAGE OF 35% BY BUILDINGS AND STRUCTURES. THE PROJECT WILL BE CONSTRUCTED IN ONE PHASE. IT IS STAFF'S OPINION THAT THE REQUESTED REZONING AND THE PROPOSED PLAN OF DEVELOPMENT COMPLY WITH THE COMPREHENSIVE PLAN AND THE FUTURE LAND USE DESIGNATION OF RESIDENTIAL-C. THIS REQUEST SUPPORTS THE GOALS AND POLICIES OF THE FUTURE LAND USE ELEMENT OF THE COMPREHENSIVE PLAN, SPECIFICALLY RELATED TO PROVIDING DIVERSE LIVING OPPORTUNITIES AND MANAGED GROWTH. THE REVIEW PROCESS AND THE APPLICATION ARE CONSISTENT WITH APPLICABLE REQUIREMENTS OF THE ST. JOHNS COUNTY LAND DEVELOPMENT CODE, PARTICULARLY PART 5.03, WHICH PROVIDES STANDARDS FOR PLANNED UNIT DEVELOPMENTS. STAFF ALSO FINDS THAT THE PROPOSED DEVELOPMENT IS CONSISTENT AND COMPATIBLE WITH THE SURROUNDING DEVELOPMENT. THE PLANNING AND ZONING AGENCY UNANIMOUSLY RECOMMENDED DENIAL AT THEIR MARCH 21, 2002 MEETING.

Proof of publication on the notice of public hearing on proposed rezoning in the matter of File #PUD 2002-01, Summerhill PUD was received, having been published in *The St. Augustine Record* on April 8, 2002.

Court Reporter Cathy Ardito was present.

Nicole Clayton, Planner II, made presentation of the PUD to the Board. Staff had no objection to the rezoning. The Planning and Zoning Agency had unanimously recommended denial at their March 21, 2002 meeting. Clayton stated they had received 14 letters in opposition and one letter in support of the proposed rezoning.

Discussion was held on concurrency, PZA's findings of fact, directing County Attorney to advise PZA members about findings of fact, levels of service on Moultrie Road - LOS-D, adequacy of facilities, directing County Attorney to spell out what they meant by adequacy of facilities, asking for memorandum of law explaining voting by one's conscience rather than whether it met the various Code requirements or not, and voicing opinions but having to be consistent with the law. (1:49 p.m.) Bosanko gave a short statement on the guideline on how to do rezoning cases, referencing the Florida Supreme Court, 1993 Snyder case, which determined that landowners did have a right to use their property for what they wanted unless government or opponent could demonstrate there was legitimate public purpose supported by competent evidence to not use it for that purpose. The Supreme Court did say on findings of fact they were not required to do findings of fact but it would be helpful; they are reviewing this again. Bosanko stated another point was that of the role of the County Commission as weighing the evidence.

(1:52 p.m.) Further discussion was held on other information brought forth in public comments for Board consideration, which was new to everyone, and a request for land

use change started at the Planning Department and was an ongoing process until final action by the Board of County Commissioners. Other issues discussed were paying all applicable connection fees prior to Certificate of Occupancy to ensure that services and facilities were available, transportation, property owners in the neighborhood being notified, and turning lanes. (2:00 p.m.) Meiszer disclosed ex-parte communications with Karen Taylor, who briefed him on the project. Discussion ensued on why the PZA disapproved the rezoning; Bishop responded the PZA was concerned about traffic concurrency and buffering around roads. Bryant disclosed ex-parte communication with Karen Taylor, who answered his questions about concurrency and compliance with the LDC. Discussion was held about decel or accel lanes off Old Moultrie, going into the development. Kohnke disclosed ex-parte communication with Karen Taylor about concurrency and terms of rationale offered by the PZA.

(2:04 p.m.) Karen Taylor, 307 Oak Harbor Drive, on behalf of the applicant, George Kafler Homes, addressed the Board, utilizing visual display and discussing various aspects of the application.

Public comments were then received. (2:26 p.m.) Dante Salamone, 5225 Datil Pepper Road, spoke with visual display, on condition of roads and in support of the rezoning. Doug Laidlaw, 120 Stokes Landing Road, gave his three minutes of public comment time to Salamone, but was opposed to this item.

(2:48 p.m.) **Motion by Reardon, seconded by Kohnke, carried 5/0, to enact Ordinance No. 2002-27, known as Summerhill PUD (PUD 2001-01), adopting Findings of Fact 1 through 6 to support the motion.**
